Our leading man has remarried. He is, however, to have no peace in his new marriage as his jealously suspicious dead wife has come back to haunt him! Life begins to get difficult when he starts talking to this spectre who is visible only to him and the audience. Bring the family and enjoy the fun as she throws temper tantrums and plays tricks on his unsuspecting new wife. But watch out! Things have a tendency to go wrong when a ghost's plans have an ulterior motive!
